Re: Notice of Project Completion – Springfield Central Dialysis (Proj. No. 16-036)

Dear Mr. Constantino:

Pursuant to Section 1130.770 of the Illinois Health Facilities and Services Review Board ("HFSRB") rules, I am writing on behalf of DaVita Inc. and DVA Renal Healthcare Inc. (the "Permit Holders") to notify the HFSRB of the completion of Project No. 16-036 on February 19, 2018. On January 24, 2017, HFSRB approved the Permit Holders' certificate of need application for the relocation of Springfield Central Dialysis (the "Project"). The permit provided for a project completion date of March 31, 2019. The first dialysis patient was treated on February 19, 2018. We will submit a final cost report under separate cover once the project costs have been finalized.

If you have any questions regarding the status of the project, please feel free to contact me at 773-278-4403 or timothy.tincknell@davita.com.

Sincerely,

Timothy V. Tincknell
